

# MS Fridtjof Nansen

Welcome aboard our newest built expedition ship and your hybrid-powered home at sea with a high-spec Science Center. There's an indoor and outdoor gym and a 150-metre outdoor running track to keep active while an outdoor infinity pool with hot tubs, a scenic sauna, and the Wellness Center take care of the relaxation side of things. Dine in one of three onboard restaurants which serve a wide variety of dishes. All areas of the ship have a fresh Scandinavian contemporary design, homely and modern. Each cabin has a window to an outside view. Half feature private balconies while the aft suites go further and sport private outdoor hot tubs to soak in.
